2023 Summer Camp

SUMMER X-TRAVAGANZA !

July 4th – 7th

Visitor: X-Movement

Lets kick off the summer in the most X-CITING way ! This week we will begin to form bonds with new friends, share what is unique & special about us and also venture to complete some very special missions.

ALL THE PLACES YOU'LL GO

July 24th – 28th

Nature is full of surprises. This week we will explore & discover the great outdoors and camp in our own backyards. We will find out what creatures and critters live in our forest. We will learn ways to reinvent recycled materials, do some gardening go on a nature scavenger hunt.

OPERATION : CELEBRATION

August 14th – 18th

Visitor : GO FacePaint & Pizza Nova

This week we will celebrate good times ! Pajamas, party hats, and noise makers are all part of the fun. Whether it's celebrating everyone's birthday or mashing up all the holiday's into one day, this week will not disappoint.

SUMMER BY DESIGN

July 10th – 14th

Trip: Moule Theatre

This week will inspire creativity. We will look at all the weird and wonderful mediums of art, including sculpting, painting, writing and acting. We'll share our completed masterpieces to exhibit at our 'Kids' Campus Art Museum.'

SPLASHTOPIA

July 31st – August 4th

Water you waiting for ? This week is all about splashing, dunking, and diving. Outdoor water relays, sprinklers and water balloons are all part of the outdoor fun we have planned. Inside, we will explore water painting, water experiments and other fun ways to keep cool.

BEYOND THE STARS

August 21st – 25th

Blast off into outer space! Get your passports ready as we explore the universe. Build a rocket ship, walk on the moon, and learn about extra terrestrials. Once the week is done, children will be certified astronauts.

GOT GAME ?

July 17th – 21st

Visitor: Dynamix

On your mark, get set, go! This week is all about sports, games and races. Children will work in groups and individually to test their strength in physical challenges as well as develop the skills to work as a team.

BLOWING OFF STEAM

August 8th – 11th

Visitor : Scientists in the School

This week we encourage young minds to think like a scientist. We will observe, problem solve & play as we integrate SCIENCE, TECHNOLOGY, ENGINEERING, ART & MATH into creative and fun experiments.

CHEF'S PLATE

August 28th – September 1st

Do you have an appetite for adventure? This week we will build a food truck, become edible engineers, and enjoy some sweets and treats. Don't forget to join us on Thursday for our 'Family Dinner' where the children will be making a special meal for their loved ones.
